DEFINITIONS:

Agricultural use is defined as the growing of agricultural field crops and/or timber, or grazing on the land or if the land is in a crop land rotation program.

Land utilized for the grazing of animals kept primarily for personal use or pleasure rather than part of a bona fide profit-making agricultural enterprise shall not be considered land which is actively devoted to agriculture.

PLEASE SELECT WHICH OF THE FOLLOWING APPLIES TO THIS SPECIFIC PARCEL OF LAND.

- (1) Has all the acreage, exclusive of the building site (if a developed home site exists), been devoted to agricultural use for the last three growing seasons? YES NO
- (2) Has the land agriculturally, produced for sale or home consumption, 15% of the Owner's or lessee's annual gross income? **Proof of gross income must be submitted along with application.** YES NO
- (3) Has the land agriculturally produced gross revenue in the immediate preceding year of \$ 1,000.00 or more? **Proof of \$ 1,000.00 gross income from crops or sale of livestock must be submitted along with application.** YES NO

If we fail to receive this questionnaire from you, we will assume that you are not using the property for agricultural use and the property will be assessed at market value.

By signing this application I swear that, to the best of my knowledge and belief, the information I have provided herein is true and correct.
